

For Amber

He Knows, He Hears, He Cares

Words & Music by Aaron Waite

Tenderly

1. He knows the sor-rows you are feel-ing He knows you're down to your last cry
2. He hears each prayer as tears are fall-ing He hears what mere words can't ex-press
3. He cares for His be-lov-ed off-spring He cares each hour of ev'-ry day

Piano 2x octave lower

5

He knows how long you've been there kneel-ing He knows you're too a-fraid to try
He hears the count-less times you're call-ing He hears but waits to give you rest
He cares, and if you're still and list-ning His light will sure-ly show the way

And
Then the moment when you least expect it When the pain of soul is just too much to bear His ten-der
